PURPOSE

To discuss a draft ordinance that would restrict the ability of certain sex offenders to reside in close proximity to certain areas frequented by children.

BACKGROUND

Some Colorado municipalities have ordinances of this type as can be seen via [this website](#), which is published by a Colorado law firm. As indicated on the website, Milliken does not currently have any such ordinance. Chief Garcia proposed the idea of recommending such an ordinance to the board, and the current draft was modeled largely on provisions of the Greeley and Johnstown municipal codes, which Chief Garcia obtained.

TOWN OF MILLIKEN

ORDINANCE NO. YYYY-##

AN ORDINANCE OF THE TOWN OF MILLIKEN, COLORADO, ADOPTING A NEW ARTICLE TO BE ADDED TO THE MILLIKEN MUNICIPAL CODE THAT RESTRICTS RESIDENCY FOR CERTAIN SEX OFFENDERS

WHEREAS, the Board of Trustees (“Board”) of the Town of Milliken (“Town”) finds that “sexually violent predators” as defined by section 18-3-414.5 of the Colorado Revised Statutes as well as certain others who are required to register under the Colorado Sex Offender Registration Act, which two groups will be referred to collectively herein as “sex offenders of concern,” pose an extreme threat to public safety;

WHEREAS, the Board further finds that sex offenders of concern endanger society by exposing a particularly vulnerable population, children, to the risk of extreme harm;

WHEREAS, removing such persons from regular proximity to places where children are located and limiting the frequency of contact between sex offenders of concern and children will reduce the opportunity and risk for offenses against children to be committed; and

WHEREAS, the Board desires to promote, protect, and improve the health, safety, and welfare of the public by creating areas around locations where children may regularly gather in concentrated number, where sex offenders of concern will be prohibited from establishing either temporary or permanent residence while still recognizing the need for safe and adequate housing for those individuals who are released to the community by state authorities;

NOW THEREFORE BE IT ORDAINED BY THE BOARD OF TRUSTEES OF THE TOWN OF MILLIKEN, COLORADO, AS FOLLOWS:

Section 1. Chapter 10 of the Milliken Municipal Code is amended by adding a new Article XIII as set forth in Exhibit A, which is attached hereto and made a part hereof.

Section 2. Effective Date. This ordinance shall take effect thirty days after publication as provided by law.

CHAPTER 12. PROHIBITED RESIDENCY OF SEX OFFENDERS

Sec. 14-381. Findings and intent.

- (a) The city council finds that sexual predators and specified sex offenders who use physical violence and who prey on children pose an extreme threat to public safety. Sexual predators and specified sex offenders endanger society by exposing a particularly vulnerable population, children, to extreme harm. Removing sex offenders from the regular proximity of places where children are located and limiting the frequency of contact between sexual predators and specified sex offenders and children will reduce the opportunity and risk for offenses against children to be committed.
- (b) The city council further finds that the state sex offender management board has identified restrictions on housing options for registered sex offenders as a factor which may contribute to increased recidivism among individuals who have been convicted of offenses requiring registration.
- (c) This chapter is intended to serve the city's compelling interests to promote, protect and improve the health, safety and welfare of the public by creating areas, around locations where children regularly gather in concentrated numbers, where sexual predators and specified sex offenders are prohibited from establishing either temporary or permanent residence while still recognizing the need for safe and adequate housing for those individuals who are released to the community by state authorities.

Notwithstanding any provision of this paragraph (c) to the contrary, failure to advise a person pursuant to the provisions of this subparagraph (III) shall not constitute a defense to the offense of failure to register as a sex offender if there is evidence that the defendant had actual notice of the duty to register.

(IV) In any case in which a person is deemed to have been convicted of an offense, the underlying factual basis of which involves unlawful sexual behavior, as provided in this paragraph (c), the judgment of conviction shall specify that the person is convicted of such an offense and specify the particular crime of unlawful sexual behavior involved.

On or after July 1, 2008, if the department of corrections receives a mittimus that does not indicate the necessary findings as required by subsection (2)(c)(II) of this section, the department shall notify the court and request that the court enter the necessary findings pursuant to subsection (2)(c)(II) of this section.

(II) The department of corrections shall have the authority to make a determination that a person is a sex offender, as defined in section 16-11.7-102 (2)(a), for the purposes of classification and treatment if:

(a) In addition to the persons specified in subsections (1) and (2) of this section, and except as set forth in subsection (3)(b) of this section, any person convicted of an offense in any other state or jurisdiction, including but not limited to a military or federal jurisdiction, for which the person, as a result of the conviction, is required to register if the person resided in the state or jurisdiction of conviction, or for which the person would be required to register if convicted in Colorado, is required to register in the manner specified in section 16-22-108, so long as the person is a temporary or permanent resident of Colorado. The person may petition the court for an order to discontinue the requirement for registration in this state at the times specified in section 16-22-113 for offense classifications that are comparable to the classification of the offense for which the person was convicted in the other state or jurisdiction. The person may petition the court for an order to discontinue the requirement for registration in this state for offense classifications that the person would not be required to register for if convicted in Colorado.

(b) If a juvenile is required to register only pursuant to subsection (3)(a) of this section and the juvenile's duty to register in another state or jurisdiction has been terminated by a court order, or if a trial court has determined that the juvenile is not required to register in that state or jurisdiction, then the juvenile is not required to fulfill the requirements for registration in Colorado, as set forth in section 16-22-108, and is therefore not required to petition the court for removal from the Colorado sex offender registry pursuant to section 16-22-113.

(4) This article 22 applies to any person who receives a disposition or is adjudicated a juvenile delinquent based on the commission of any act that may constitute unlawful sexual behavior or who receives a deferred adjudication based on commission of any act that may constitute unlawful sexual behavior; except that, with respect to section 16-22-113 (1)(a) to (1)(e), a person who is adjudicated or receives a disposition as a juvenile may petition the court for an order to discontinue the duty to register as provided in those subsections, but only if the person has not subsequently been convicted as an adult of any offense involving unlawful sexual behavior or convicted as an adult of another offense, the underlying factual basis of which involves unlawful sexual behavior. In addition, the duty to provide notice to a person of the duty to register, as set forth in sections 16-22-105 to 16-22-107, applies to juvenile parole and probation officers and appropriate personnel of the division of youth services in the department of human services. If a person is required to register pursuant to this article 22 due to an adjudication or disposition as a juvenile, the duty to register automatically terminates either when the person reaches twenty-five years of age or seven years from the date the juvenile was required to register, whichever occurs later.

(5)

(a) Notwithstanding any provision of this article 22 to the contrary, if, pursuant to a motion filed by a person described in this subsection (5) or on its own motion, a court determines that exempting the person from the registration requirement would not pose a significant risk to the community, the court, upon consideration of the totality of the circumstances, may exempt the person from the registration requirements imposed pursuant to this section if:

(I) The person was younger than eighteen years of age at the time of the commission of the offense; and

(II) The person has not been previously adjudicated or received a disposition for a separate offense involving unlawful sexual behavior; and

(III) The person was adjudicated or received a disposition for any offense of unlawful sexual behavior or another offense, the underlying factual basis of which involved unlawful sexual behavior; and

(IV) The person has received an evaluation that conforms with the standards developed pursuant to section 16-11.7-103 (4)(i) from an evaluator who meets the standards established by the sex offender management board, and the evaluator recommends exempting the person from the registration requirements based upon the best interests of that person and the community; and

16-22-115. CBI assistance in apprehending sex offenders who fail to register.

(IV.5) The court has considered a written or oral statement by the victim of the offense for which the juvenile would otherwise be required to register, if provided by the victim, on the question of whether the juvenile should be exempted from the statutory duty to register as a sex offender; and

(V) The court makes written findings of fact specifying the grounds for granting such exemption.

(b) Any defendant who files a motion pursuant to this subsection (5) or the court, if considering its own motion, shall provide notice of the motion to the prosecuting district attorney. In addition, the court shall provide notice of the motion to the victim of the offense. Prior to deciding the motion, the court shall conduct a hearing on the motion at which both the district attorney and the victim shall have opportunity to be heard.

(6) Any person who is required to register pursuant to this section and fails to do so or otherwise fails to comply with the provisions of this article may be subject to prosecution for the offense of failure to register as a sex offender, as described in section 18-3-412.5, C.R.S. Failure of any governmental entity or any employee of any governmental entity to comply with any requirement of this article shall not constitute a defense to the offense of failure to register as a sex offender if there is evidence that the defendant had actual notice of the duty to register.

(I) Each person who is required to register pursuant to section 16-22-103 shall register with the local law enforcement agency in each jurisdiction in which the person resides. A local law enforcement agency shall accept the registration of a person who lacks a fixed residence; except that the law enforcement agency is not required to accept the person's registration if it includes a residence or location that would violate state law or local ordinance. If the residence or location with which the person attempts to register constitutes such a violation, the law enforcement agency shall so advise the person and give the person an opportunity to secure an alternate location within five days.

(II) Each person who is required to register pursuant to section 16-22-103 shall initially register or, if sentenced on or after January 1, 2005, confirm his or her initial registration within five business days after release from incarceration for commission of the offense requiring registration or within five business days after receiving notice of the duty to register, if the person was not incarcerated. The person shall register with the local law enforcement agency during business hours by completing a standardized registration form provided to the person by the local law enforcement agency and paying the registration fee imposed by the local law enforcement agency as provided in subsection (7) of this section. If the law enforcement agency waives the requirement to reregister in person, the law enforcement agency shall reregister the person after verifying the person's current address with the person and at least one other reliable source which may include: His or her caregiver, his or her family, the facility where the person resides, or another source of verification satisfactory to the law enforcement agency. The law enforcement agency shall provide verification of the waiver, by the submission of a form developed by the CBI, to the CBI and any other law enforcement agency with which the registrant is required to register. If the law enforcement agency issues such a waiver, every three years the agency must determine whether the registrant still meets the waiver requirements and reauthorize the waiver. If the law enforcement agency issues a waiver or reauthorizes the waiver, the law enforcement agency shall also notify the victim of the offense for which the petitioner is required to register, if the victim of the offense has requested notice and provided contact information. The CBI shall provide standardized registration forms to the local law enforcement agencies pursuant to section 16-22-109.

In addition to registering as required in subsection (1)(a) of this section, the person shall reregister within five business days before or after the date that is three months after the date on which the person was released from incarceration for commission of the offense requiring registration or, if the person was not incarcerated, after the date on which he or she received notice of the duty to register. (5) The CBI, upon receipt of fingerprints and conviction data concerning a person convicted of unlawful sexual behavior, shall transmit promptly such fingerprints and conviction data to the federal bureau of investigation.

(6)

(a) The general assembly recognizes the need to balance the expectations of persons convicted of offenses involving unlawful sexual behavior and the public's need to adequately protect themselves and their children from these persons, as expressed in section 16-22-112 (1). The general assembly declares, however, that, in making information concerning persons convicted of offenses involving unlawful sexual behavior available to the public, it is not the general assembly's intent that the information be used to inflict retribution or additional punishment on any person convicted of unlawful sexual behavior or of another offense, the underlying factual basis of which involves unlawful sexual behavior.

(b) Pursuant to a request for a criminal history record check pursuant to part 3 of article 72 of title 24, unless the person who is the subject of the criminal history record check was required to register solely because the person was adjudicated or received a disposition as a juvenile, the CBI may inform the requesting party as to whether the person who is the subject of the criminal history check is on the sex offender registry. If such person is on the sex offender registry solely as a result of being adjudicated or receiving a disposition as a juvenile, the CBI shall not release such information to a person other than law enforcement, probation and parole personnel, the division of child welfare, the division of youth services, or the victim, as defined in section 24-4.1-302 (5).

(c) A person may request from the CBI a list of persons on the sex offender registry. The list must not include persons who are on the sex offender registry solely for having been adjudicated or received dispositions as juveniles.

(d) (Deleted by amendment, L. 2005, p. 611, § 1, effective May 27, 2005.)

(e) Any person requesting information pursuant to subsection (6)(c) of this section shall show proper identification.

(f) If information is released pursuant to this subsection (6), it must, at a minimum, include the name, address or addresses, and aliases of the registrant; the registrant's date of birth; a photograph of the registrant, if requested and readily available; the offense that led to the registration requirement; and the date of the offense resulting in the registrant being required to register pursuant to this article 22. Information concerning victims must not be released pursuant to this section.

(g) Notwithstanding this subsection (6) to the contrary, the CBI may release information, as described in subsection (6)(i) of this section, about the person registered as a result of being adjudicated or receiving a disposition as a juvenile if a person, other than the victim, submits a request to the CBI for the sex offender registry record of a named person who was adjudicated or received a disposition as a juvenile, and the requesting person affirms in writing that the requested record shall not be:

(I) Placed in publication or posted to a website;

(II) Used for the purpose of obtaining a pecuniary gain or financial benefit for any person or entity; or

(III) Used or disseminated in any manner with the intent to harass, intimidate, coerce, or cause serious emotional distress to any person, including the named person.

(h) In addition to the written affirmation required by subsection (6)(g) of this section, the person requesting information shall affirm in writing that he or she has a need for the sex offender information concerning the person who was adjudicated or received a disposition as a juvenile and describe that need in writing.

(i) Upon receipt of the written affirmations required by subsections (6)(g) and (6)(h) of this section, the CBI shall release to the requesting person the sex offender registry record that is limited to include only the person's registration status, full name, aliases, date of birth, and current address or addresses; a photograph of the registrant, if requested and readily available; the offense that led to the registration; and the date of the offense as such information concerns the person who was adjudicated or received a disposition as a juvenile. Information concerning victims must not be released pursuant to this section.

(j) Nothing in this subsection (6) limits the victim's access to information pursuant to section 24-4.1-302.5.

(7) The CBI may assess reasonable fees for the search, retrieval, and copying of information requested pursuant to subsection (6) of this section. The amount of such fees shall reflect the actual costs, including but not limited to personnel and equipment, incurred in operating and maintaining the sex offender registry. Any such fees received shall be credited to the sex offender registry fund, which fund is hereby created in the state treasury. The moneys in the sex offender registry fund shall be subject to annual appropriation by the general assembly for the costs, including but not limited to personnel and equipment, incurred in operating and maintaining the sex offender registry. The sex offender registry fund shall consist of the moneys credited thereto pursuant to this subsection (7) and subsection (9) of this section and any additional moneys that may be appropriated thereto by the general assembly. All interest derived from the deposit and investment of moneys in the sex offender registry fund shall be credited to the fund. At the end of any fiscal year, all unexpended and unencumbered moneys in the sex offender registry fund shall remain therein and shall not be credited or transferred to the general fund or any other fund.

(8) Any information released pursuant to this section shall include in writing the following statement:

The Colorado sex offender registry includes only those persons who have been required by law to register and who are in compliance with the sex offender registration laws. Persons should not rely solely on the sex offender registry as a safeguard against perpetrators of sexual assault in their communities. The crime for which a person is convicted may not accurately reflect the level of risk.

(9) The CBI shall seek and is hereby authorized to receive and expend any public or private gifts, grants, or donations that may be available to implement the provisions of this article pertaining to establishment and maintenance of the sex offender registry, including but not limited to provisions pertaining to the initial registration of persons pursuant to section 16-22-104 and the transmittal of information between and among local law enforcement agencies, community corrections programs, the judicial department, the department of corrections, the department of human services, and the CBI. Any moneys received pursuant to this subsection (9), except federal moneys that are custodial funds, shall be transmitted to the state treasurer for deposit in the sex offender registry fund created in subsection (7) of this section.

(10) On or before July 1, 2022, and every July 1 thereafter, the CBI shall prepare a report that details the number of requests for sex offender registration information for juveniles received annually pursuant to subsection (6) of this section as well as the number of times such information was released. The CBI shall include the report as a part of its presentation to its committee of reference at a hearing held pursuant to section 2-7-203 of the "State Measurement for Accountable, Responsive, and Transparent (SMART) Government Act".

16-22-111. Internet posting of sex offenders - procedure.

(1) The CBI shall post a link on the state of Colorado home page on the internet to a list containing the names, addresses, and physical descriptions of certain persons and descriptions of the offenses committed by said persons. A person's physical description must include, but need not be limited to, the person's sex, height, and weight, any identifying characteristics of the person, and a digitized photograph or image of the person. The list must specifically exclude any reference to any victims of the offenses. The list must specifically exclude persons who are required to register solely because they were adjudicated or received dispositions as juveniles but must include the following persons:

- (a) Any person who is a sexually violent predator;
- (b) Any person sentenced as or found to be a sexually violent predator under the laws of another state or jurisdiction;
- (c) Any person who is required to register pursuant to section 16-22-103 and who has been convicted as an adult of two or more of the following offenses:
 - (I) A felony offense involving unlawful sexual behavior; or
 - (II) A crime of violence as defined in section 18-1.3-406, C.R.S.; and
- (d) Any person who is required to register pursuant to section 16-22-103 because the person was convicted of a felony as an adult and who fails to register as required by section 16-22-108.

(1.5) In addition to the posting required by subsection (1) of this section, the CBI may post a link on the state of Colorado home page on the internet to a list, including but not limited to the names, addresses, and physical descriptions of any person required to register pursuant to section 16-22-103, as a result of a conviction for a felony. A person's physical description shall include, but need not be limited to, the person's sex, height, weight, and any other identifying characteristics of the person. The list shall specifically exclude any reference to any victims of the offenses.

(2)

(a) For purposes of paragraph (d) of subsection (1) of this section, a person's failure to register shall be determined by the CBI. Whenever the CBI's records show that a person has failed to register as required by this article, the CBI shall forward to each law enforcement agency with which the person is required to register notice of the person's failure to register by the required date. Each law enforcement agency, within three business days after receiving the notice, shall submit to the CBI written confirmation of the person's failure to register. Upon receipt of the written confirmation from the law enforcement agency, the CBI shall post the information concerning the person on the internet as required in this section.

(b) If a local law enforcement agency files criminal charges against a person for failure to register as a sex offender, as described in section 18-3-412.5, C.R.S., the local law enforcement agency shall notify the CBI. On receipt of the notification, the CBI shall post the information concerning the person on the internet, as specified in subsection (1) of this section.

(3) The internet posting required by this section shall be in addition to any other release of information authorized pursuant to this article or pursuant to part 9 of article 13 of this title, or any other provision of law.

16-22-112. Release of information - law enforcement agencies.

(1) The general assembly finds that persons convicted of offenses involving unlawful sexual behavior have a reduced expectation of privacy because of the public's interest in public safety. The general assembly further finds that the public must have access to information concerning persons convicted of offenses involving unlawful sexual behavior that is collected pursuant to this article to allow them to adequately protect themselves and their children from these persons. The general assembly declares, however, that, in making this information available to the public, as provided in this section and section 16-22-110 (6), it is not the general assembly's intent that the information be used to inflict retribution or additional punishment on any person convicted of unlawful sexual behavior or of another offense, the underlying factual basis of which involves unlawful sexual behavior.

(2)

(a) A local law enforcement agency shall release information regarding any person, except for a person who is required to register solely because the person was adjudicated or received a disposition as a juvenile, registered with the local law enforcement agency pursuant to this article 22 to any person residing within the local law enforcement agency's jurisdiction. In addition, the local law enforcement agency may post the information specified in subsection (2)(b) of this section on the law enforcement agency's website.

(b) A local law enforcement agency may post on its website sex offender registration information of a person from its registration list only if the person is:

(I) An adult convicted of a felony requiring the adult to register pursuant to section 16-22-103; or

(II) An adult convicted of a second or subsequent offense of any of the following misdemeanors:

(A) Sexual assault as described in section 18-3-402 (1)(e), C.R.S.;

(C) Sexual assault on a client as described in section 18-3-405.5 (2), C.R.S.;

(D) Sexual exploitation of a child by possession of sexually exploitive material as described in section 18-6-403, C.R.S.;

(E) Indecent exposure as described in section 18-7-302, C.R.S.; or

(F) Sexual conduct in a correctional institution as described in section 18-7-701, C.R.S.

(III) and (IV) Repealed.

(3)

(a) (Deleted by amendment, L. 2005, p. 612, § 2, effective May 27, 2005.)

(b) At its discretion, a local law enforcement agency may release information regarding any person, except for a person who is required to register solely because the person was adjudicated or received a disposition as a juvenile, registered with the local law enforcement agency pursuant to this article 22 to any person who does not reside within the local law enforcement agency's jurisdiction or may post the information specified in subsection (2)(b) of this section on the law enforcement agency's website. If a local law enforcement agency does not elect to release information regarding any person registered with the local law enforcement agency to a person not residing within the local law enforcement agency's jurisdiction, the local law enforcement agency may submit a request from the person to the CBI.

(c) (Deleted by amendment, L. 2005, p. 612, § 2, effective May 27, 2005.)

(d) Upon receipt of a request for information from a law enforcement agency pursuant to this subsection (3), the CBI shall mail the requested information to the person making the request.

(e) (Deleted by amendment, L. 2007, p. 648, § 1, effective April 26, 2007.)

(3.5) To assist members of the public in protecting themselves from persons who commit offenses involving unlawful sexual behavior, a local law enforcement agency that chooses to post sex offender registration information on its website shall either post educational information concerning protection from sex offenders on its website or provide a link to the educational information included on the CBI website maintained pursuant to section 16-22-111. A local law enforcement agency that posts the educational information shall work with the sex offender management board created pursuant to section 16-11.7-103 and sexual assault victims' advocacy groups in preparing the educational information.

(4) Information released pursuant to this section, at a minimum, shall include the name, address or addresses, and aliases of the registrant; the registrant's date of birth; a photograph of the registrant, if requested and readily available; and a history of the convictions of unlawful sexual behavior resulting in the registrant being required to register pursuant to this article. Information concerning victims shall not be released pursuant to this section.

(5) Any information released pursuant to this section shall include in writing the following statement:

The Colorado sex offender registry includes only those persons who have been required by law to register and who are in compliance with the sex offender registration laws. Persons should not rely solely on the sex offender registry as a safeguard against perpetrators of sexual assault in their communities. The crime for which a person is convicted may not accurately reflect the level of risk.

16-22-113. Petition for removal from sex offender registry - mandatory hearing for discontinuation and removal.

(1) Except as required in subsection (3) of this section, any person required to register pursuant to section 16-22-103 or whose information is required to be posted on the internet pursuant to section 16-22-111 may file a petition with the court that issued the order of judgment for the conviction that requires the person to register for an order to discontinue the requirement for such registration or internet posting, or both, as follows:

(a) Except as otherwise provided in paragraphs (d), (e), and (f) of this subsection (1), if the offense that required such person to register constituted or would constitute a class 1, 2, or 3 felony, after a period of twenty years from the date of such person's discharge from the department of corrections, if such person was sentenced to incarceration, or discharge from the department of human services, if such person was committed, or final release from the jurisdiction of the court for such offense, if such person has not subsequently been convicted of unlawful sexual behavior or of any other offense, the underlying factual basis of which involved unlawful sexual behavior;

(a.5) Except as otherwise provided in subsections (1)(d), (1)(e), and (1)(f) of this section, if the offense that required the person to register constituted human trafficking for sexual servitude pursuant to section 18-3-504 (1)(a), upon completion of the person's sentence and his or her discharge from the department of corrections, if he or she was sentenced to incarceration, or discharge from the department of human services, if he or she was committed to such department, or final release from the jurisdiction of the court for the offense, if the person has not subsequently been convicted of unlawful sexual behavior or of any other offense, the underlying factual basis of which involved unlawful sexual behavior, the person may file a petition with the court pursuant to subsection (2) of this section. Notwithstanding any other information obtained by the court during the hearing of the petition, a court shall not issue an order discontinuing the petitioner's duty to register unless the petitioner has at least established by a preponderance of the evidence that at the time he or she committed the offense of human trafficking for sexual servitude, he or she had been trafficked by another person, as described in section 18-3-503 or 18-3-504, for the purpose of committing the offense. Failure to make the required showing pursuant to this subsection (1)(a.5) requires the person to comply with the provisions of subsection (1)(a) of this section for any subsequent petition to discontinue the person's duty to register.

16-22-115. CBI assistance in apprehending sex offenders who fail to register.

(b) Except as otherwise provided in paragraphs (d), (e), and (f) of this subsection (1), if the offense that required such person to register constituted or would constitute a class 4, 5, or 6 felony or the class 1 misdemeanor of unlawful sexual contact, as described in section 18-3-404, C.R.S., or sexual assault in the third degree as described in section 18-3-404, C.R.S., as it existed prior to July 1, 2000, after a period of ten years from the date of such person's discharge from the department of corrections, if such person was sentenced to incarceration, or discharge from the department of human services, if such person was committed, or final release from the jurisdiction of the court for such offense, if such person has not subsequently been convicted of unlawful sexual behavior or of any other offense, the underlying factual basis of which involved unlawful sexual behavior;

(c) Except as otherwise provided in paragraphs (d), (e), and (f) of this subsection (1), if the offense that required such person to register constituted or would constitute a misdemeanor other than the class 1 misdemeanor of unlawful sexual contact, as described in section 18-3-404, C.R.S., or sexual assault in the third degree as described in section 18-3-404, C.R.S., as it existed prior to July 1, 2000, after a period of five years from the date of such person's final release from the jurisdiction of the court for such offense, if such person has not subsequently been convicted of unlawful sexual behavior or of any other offense, the underlying factual basis of which involved unlawful sexual behavior;

(d) If the person was required to register due to being placed on a deferred judgment and sentence or a deferred adjudication for an offense involving unlawful sexual behavior, after the successful completion of the deferred judgment and sentence or deferred adjudication and dismissal of the case, if the person prior to such time has not been subsequently convicted of unlawful sexual behavior or of any other offense, the underlying factual basis of which involved unlawful sexual behavior and the court did not issue an order either continuing the duty to register or discontinuing the duty to register pursuant to paragraph (a) of subsection (1.3) of this section;

(e) Except as otherwise required by subsection (1.3)(b)(II) of this section, if the person was younger than eighteen years of age at the time of commission of the offense, after the successful completion of and discharge from a juvenile sentence or disposition, and if the person prior to such time has not been subsequently convicted as an adult of unlawful sexual behavior, or for any other offense, the underlying factual basis of which involved unlawful sexual behavior, or does not have a pending prosecution for unlawful sexual behavior as an adult or for any other offense, the underlying factual basis of which involved unlawful sexual behavior, and the court did not issue an order to either continue or discontinue the duty to register pursuant to subsection (1.3)(b) of this section. A person petitioning pursuant to this subsection (1)(e) may also petition for an order to remove the person's name from the sex offender registry. In determining whether to grant the order, the court shall consider whether the person is likely to commit a subsequent offense of or involving unlawful sexual behavior. The court shall base its determination on the following, if available: Recommendations from the person's probation or community parole officer; the person's treatment provider; the prosecuting attorney for the jurisdiction in which the person was tried; and on the recommendations included in the person's presentence investigation report. In addition, the court shall consider any written or oral testimony submitted by the victim of the offense for which the petitioner was required to register. Notwithstanding any other requirements of this subsection (1), a juvenile who files a petition pursuant to this section may file the petition with the court to which venue is transferred pursuant to section 19-2.5-104, if any.

(f) If the information about the person was required to be posted on the internet pursuant to section 16-22-111 (1)(d) only for failure to register, if the person has fully complied with all registration requirements for a period of not less than one year and if the person, prior to such time, has not been subsequently convicted of unlawful sexual behavior or of any other offense, the underlying factual basis of which involved unlawful sexual behavior; except that the provisions of this paragraph (f) shall apply only to a petition to discontinue the requirement for internet posting.

(g) If a person's duty to register pursuant to this article 22 due to an adjudication or disposition as a juvenile has automatically terminated pursuant to section 16-22-103 (4), and the person's name has not already been removed from the sex offender registry by local law enforcement or the CBI, the person

may petition for an order to remove the person's name from the sex offender registry. If the person has reached twenty-five years of age or seven years have passed from the date the person was required to register, whichever occurs later, and the person has not subsequently been convicted as an adult of unlawful sexual behavior, or for any other offense, the underlying factual basis of which involved unlawful sexual behavior, or does not have a pending prosecution for unlawful sexual behavior as an adult or for any other offense, the underlying factual basis of which involved unlawful sexual behavior, the court shall issue an order to remove the person's name from the sex offender registry.

(1.3)

(a) If a person is eligible to petition to discontinue his or her duty to register pursuant to paragraph (d) of subsection (1) of this section, the court, at least sixty-three days before dismissing the case, shall notify each of the parties described in paragraph (a) of subsection (2) of this section, the person, and the victim of the offense for which the person was required to register, if the victim has requested notice and has provided current contact information, that the court will consider whether to order that the person may discontinue his or her duty to register when the court dismisses the case as a result of the person's successful completion of the deferred judgment and sentence or deferred adjudication. The court shall set the matter for hearing if any of the parties described in paragraph (a) of subsection (2) of this section or the victim of the offense objects or if the person requests a hearing. If the court enters an order discontinuing the person's duty to register, the person shall send a copy of the order to each local law enforcement agency with which the person is registered and to the CBI. If the victim of the offense has requested notice, the court shall notify the victim of its decision either to continue or discontinue the person's duty to register.

(b)

(I) If a person adjudicated or who received a disposition as a juvenile is required to register pursuant to section 16-22-103, the court, within fourteen days of the end of the juvenile's sentence, shall notify each of the parties described in subsection (2)(a) of this section, the juvenile, and the victim of the offense for which the juvenile was required to register, if the victim has requested notice and has provided current contact information, that the court shall consider whether to order that the juvenile may discontinue the juvenile's duty to register when the court discharges the juvenile's sentence. The court shall set the matter for hearing if any district attorney or a victim of the offense objects, or if the juvenile requests a hearing. If an objection is not filed within sixty-three days after receipt of the notice, the court shall, on the sixty-fourth day or the next day the court is in session if the sixty-fourth day falls on a Saturday, Sunday, or court holiday, either issue an order, after determination that the juvenile is eligible to discontinue registration pursuant to subsection (1)(e) of this section and a review of the relevant criteria that discontinues the juvenile's duty to register, or set the matter for a hearing to determine if the juvenile's duty to register continues. At any hearing, the court shall determine whether the juvenile is eligible to discontinue registration pursuant to subsection (1)(e) of this section and, if eligible, consider the criteria in subsection (1)(e) of this section in determining whether to continue or discontinue the duty to register. If the court enters an order to discontinue the juvenile's duty to register, the court shall send a copy of the order to each local law enforcement agency with which the juvenile is registered, the juvenile parole board, and to the CBI. If the victim of the offense has requested notice, the court shall notify the victim of its decision either to continue or discontinue the juvenile's duty to register.

(II) If a juvenile is eligible to petition to discontinue his or her registration pursuant to paragraph (e) of subsection (1) of this section and is under the custody of the department of human services and yet to be released on parole by the juvenile parole board, the department of human services may petition the court to set a hearing pursuant to paragraph (e) of subsection (1) of this section at least sixty-three days before the juvenile is scheduled to appear before the juvenile parole board.

(III) If a juvenile is eligible to petition to discontinue his or her registration pursuant to paragraph (e) of subsection (1) of this section and is under the custody of the department of human services and yet to be released on parole by the juvenile parole board, the department of human services, prior

16-22-115. CBI assistance in apprehending sex offenders who fail to register.

to setting the matter for hearing, shall modify the juvenile's parole plan or parole hearing to acknowledge the court order or petition unless it is already incorporated in the parole plan.

(1.5) If the conviction that requires a person to register pursuant to the provisions of section 16-22-103 was not obtained from a Colorado court, the person seeking to discontinue registration or internet posting or both may file a civil case with the district court of the judicial district in which the person resides and seek a civil order to discontinue the requirement to register or internet posting or both under the circumstances specified in subsection (1) of this section.

(2)

(a) A registrant who is eligible to petition to discontinue registration pursuant to the provisions of subsection (1) of this section must file a petition with the court of proper jurisdiction and shall provide a copy of the petition by certified mail to each of the following parties:

(I) Each law enforcement agency with which the registrant is required to register;

(II) The district attorney for the jurisdiction in which the petition to discontinue registration has been filed; and

(III) The prosecuting attorney who obtained the conviction of the registrant.

(b) Within twenty-one days after filing the petition, the petitioner shall file with the court copies of the return receipts received from each party notified and any documents supporting his or her eligibility to petition to discontinue registration. The supporting documents must include records documenting the completion of treatment if ordered by the court, when such records are available.

(c) Upon receipt of the petition, the court shall set a date for a hearing and shall notify the petitioner and the district attorney for that jurisdiction of the hearing date. The court shall also notify the victim of the offense for which the petitioner was required to register, if the victim of the offense has requested notice and provided contact information.

(d) If the district attorney or the victim objects to the registrant's petition, the district attorney shall file the objection with the court within sixty-three days after receiving the notice of the petition.

(e) If no objection is filed by the district attorney or made by the victim, the court may consider the petition without a hearing and shall grant the petition if the court finds that the petitioner has completed the sentence for which he or she was required to register; the petitioner has not subsequently been convicted of unlawful sexual behavior or of any other offense, the underlying basis of which involved unlawful sexual behavior; the waiting time period described in subsection (1) of this section has expired; and the petitioner is not likely to commit a subsequent offense of or involving unlawful sexual behavior. In determining whether to grant the petition, the court shall consider any treatment records provided pursuant to subsection (2)(b) of this section, any written or oral statement of the victim of the offense for which the petitioner was required to register, and any other relevant information presented by the petitioner or district attorney.

(f) If there is objection to the petition by the district attorney or victim, the court shall conduct a hearing on the petition. The court may grant the petition if the court finds the petitioner has completed the sentence for which he or she was required to register; the petitioner has not subsequently been convicted of unlawful sexual behavior or of any other offense, the underlying basis of which involved unlawful sexual behavior; the waiting time period described in subsection (1) of this section has expired; and the petitioner is not likely to commit a subsequent offense of or involving unlawful sexual behavior. In determining whether to grant the petition, the court shall consider any treatment records provided pursuant to subsection (2)(b) of this section, any written or oral statement of the victim of the offense for which the petitioner was required to register, and any other relevant information presented by the petitioner or district attorney.

(g) If the court enters an order discontinuing registration, the petitioner shall provide a copy of the order to each local law enforcement agency with which the petitioner is registered and the CBI. The

court shall also notify the victim, if the victim of the offense has requested notice and provided current contact information.

(h) On receipt of a copy of an order discontinuing a petitioner's duty to register:

(I) The CBI shall remove the petitioner's sex offender registration information from the state sex offender registry; and

(II) The local law enforcement agency shall remove the petitioner's sex offender registration information from the local sex offender registry.

(2.5)

(a) Notwithstanding any provision of this section to the contrary, a registrant or his or her legal representative may file a petition to discontinue registration if the registrant suffers from a severe physical or intellectual disability to the extent that he or she is permanently incapacitated and does not present an unreasonable risk to public safety.

(b) The registrant or his or her legal representative must file a petition with the court of proper jurisdiction and shall provide a copy of the petition by certified mail to each of the following parties:

(I) Each law enforcement agency with which the registrant is required to register;

(II) The district attorney for the jurisdiction in which the petition to discontinue registration has been filed; and

(III) The prosecuting attorney who obtained the conviction of the registrant.

(c) Within twenty-one days after filing the petition, the petitioner shall file with the court copies of the return receipts received from each party notified and any documents supporting his or her eligibility to petition to discontinue registration. The supporting documents must include records documenting the completion of treatment if ordered by the court, when such records are available.

(d) Upon receipt of the petition, the court shall set a date for a hearing and shall notify the petitioner and the district attorney for that jurisdiction of the hearing date. The court shall also notify the victim of the offense for which the petitioner was required to register, if the victim of the offense has requested notice and provided contact information.

(e) If the district attorney or the victim objects to the registrant's petition, the district attorney shall file the objection with the court within sixty-three days of receiving the notice of the petition.

(f) If no objection is filed by the district attorney or made by the victim, the court may consider the petition without a hearing and shall grant the petition if the court finds the petitioner suffers from a severe physical or intellectual disability to the extent that the petitioner is permanently incapacitated, does not present an unreasonable risk to public safety, and is not likely to commit a subsequent offense of or involving unlawful sexual behavior. In determining whether to grant the petition, the court shall consider any treatment records provided pursuant to subsection (2.5)(c) of this section, any written or oral statement of the victim of the offense for which the petitioner was required to register, and any other relevant information presented by the petitioner or district attorney.

(g) If there is objection to the petition by the district attorney or victim, the court shall conduct a hearing on the petition. The court may grant the petition if the court finds the petitioner suffers from a severe physical or intellectual disability to the extent that the petitioner is permanently incapacitated, does not present an unreasonable risk to public safety, and is not likely to commit a subsequent offense of or involving unlawful sexual behavior. In determining whether to grant the petition, the court shall consider any treatment records provided pursuant to subsection (2.5)(c) of this section, any written or oral statement of the victim of the offense for which the petitioner was required to register, and any other relevant information presented by the petitioner or district attorney.

(h) If the court enters an order discontinuing registration, the petitioner shall provide a copy of the order to each local law enforcement agency with which the petitioner is registered and the CBI. The
